The fashion collection, created by Awake, Inc., reflects the style of two of the film's main characters, Bella and Alice, by combining pieces that include screened tees and hoodies, fashion tops, mini skirts, dresses, skinny jeans and cardigans. Prices range from \$30 T-shirts to \$52 dresses to \$58 for a pair of jeans. Nordstrom is also selling exclusive life-size cutouts of characters, Edward, Bella, Jacob, and Alice. In addition, Nordstrom offers customers Luna Twilight, a full cosmetics collection, including Twilight Lip Venom, which reflects the mood and spirit of the film.

In *The Twilight Saga: Eclipse*, directed by David Slade from a screenplay written by Melissa Rosenberg and starring Kristen Stewart, Robert Pattinson and Taylor Lautner, Bella (Stewart) once again finds herself surrounded by danger as Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge. In the midst of it all, she is forced to choose between her love for Edward (Pattinson) and her friendship with Jacob (Lautner) -- knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation quickly approaching, Bella is confronted with the most important decision of her life.
