SEATTLE, March 4, 2026 —Seattle-based fashion retailer [Nordstrom, Inc.](#) announced plans to open a new [Nordstrom Rack](#) in Bloomingdale, Ill., in fall 2026.

"We look forward to being a part of the Bloomingdale community and serving our customers with an amazing offering of great brands at great prices," said Gemma Lionello, president of Nordstrom Rack. "We're excited to grow our footprint in the Chicago market and introduce new customers to the Nordstrom experience."

Lionello added that in this location "customers will be able to take advantage of our convenient services such as online order pick up from both [Nordstrom.com](#) and [NordstromRack.com](#), and they can make returns easily."

The 26,000-square-foot store will be located at Bloomingdale Court, a popular shopping center that includes Dick's Sporting Goods, Best Buy, Walmart, Ulta and Daiso. Bloomingdale Court is located off of W. Army Trail Road and Schmale Road and is owned and managed by an affiliate of Hutensky Capital Partners.

"Our ownership is thrilled to add Nordstrom Rack to the tenant line-up at Bloomingdale Court," said Brad Hutensky, managing member. "In a market without an enclosed mall, Nordstrom Rack clearly solidifies our center as the dominant retail location with highest quality tenant mix in the fashion, value and service categories."

Nordstrom Rack is the off-price retail division of Nordstrom, Inc. and offers customers up to 70% off on-trend apparel, accessories, beauty products, home decor and shoes from many of the top brands sold at Nordstrom stores as well as core services like online order pickup for [Nordstrom.com](#) and [NordstromRack.com](#), easy returns and alterations at select stores. Nordstrom Rack is the largest source of new customers to Nordstrom.

This new location expands the company's physical footprint and economic impact in Illinois. It currently operates four Nordstrom stores and 18 Nordstrom Rack stores in this state, generating more than 2,600 jobs statewide.
